Greater Philadelphia Health Action Inc.
“Your Total Healthcare Home”
For Appointments Call: 1-888-296-GPHA (4742)

Help your child maintain immunity against potentially harmful diseases by staying on track with GPHA’s Pediatric Schedule. At each of the below age groups, your child will receive important immunizations that help reduce their risk of infection and allows your GPHA pediatrician to monitor and assess your child’s regular development. Schedule your Face-to-Face appointments today!

“Your Child’s Health is Our #1 Priority!”
GPHA’s Pediatric Well Child Visit Schedule:

- 1 Month
- 2 Months
- 4 Months
- 6 Months
- 9 Months
- 12 Months
- 15 Months
- 18 Months
- 2 Years

GPHA Dental Services Now Open!

GPHA’s Commitment To Your Safety
To ensure the safety of you and your family, GPHA follows the CDC’s guidelines for infection control:
- You and your child are taken directly into the exam room (no waiting in the waiting area).
- At your appointment, there is limited contact with staff (social distancing during entire process).
- All Providers, staff and patients wear masks at all times
